

BOTSWANA
Otse Hill (Mt Otse – or not)
April 2006
By Karen Hauptfleisch

Driving back from Namibia, we stopped in Botswana to climb to Mt Otse. What can I say. It took us two hours to find the mountain and by this time, Riaan and Glen have had enough of mountains. I was told to go on my own, which took me exactly 30 minutes. Since there was no one to take a photo, I had to do that as well.

A year later, I discovered I have been to the wrong peak...
