

SOAPkidz Green Gift Day in Alexandra
11 December 2014
Dimpho Murudu

After volunteering for SOAPkidz for the past two years, I decided I was ready to take the big step and co-ordinated my first event using the SOAPkidz's winning recipe.

We invited 80 children from the community and by 9:00, when the rain stopped, we all had breakfast, donated by Sharron Reynolds. Then it was time for environmental games before Sagaree Naidoo stepped in with her Neotel team to present more activities.

Every child also received a pair of Toms shoes, and when we all left at 17:30, there was not one person that walked away without a warm feeling in his heart!
